

## MESSAGE TO B&R FAMILY ON FOUNDATION DAY

Dear Colleagues,

Heartfelt greetings to the Bridge and Roof family on the occasion of the 103<sup>rd</sup> Foundation Day on 16<sup>th</sup> January, 2022 and pray that all of you and all your dear ones remain healthy and safe.

The last two years have been critical for the company and its business model. But Bridge and Roof has been able to overcome this by taking on the challenges and continuously keeping pace with the technological advancements. Your perseverance has enabled us to strengthen and regroup ourselves in spite of the arduous circumstances and we can take on new challenges head-on even while we continue to deliver all our old commitments almost without pause.

We now need to further strengthen Bridge and Roof's vast network and the technology developed with years of experience in various types of projects bearing Strategic and National Importance. Hence, we need to deliver our current commitments speedily so that we can then bid and secure new contracts in existing areas of operation and diversify into new fields. Being a preferred project partner on the Indian industrial scene and also grow globally, is the surest way to ensure the future of the Company and hence the future of all of us who spend significant parts of our lives working for the Company, with the support of our families and friends.

It is important that all of us nurture the business with its needs for vast numbers of people and it is important that we continue taking preventive measures and follow COVID appropriate behaviour especially sanitization of all workplaces and residential quarters.

I feel extremely proud to be a part of an organisation that has completed more than a hundred years of service to the nation, which has only been possible due to the dedication and cohesion of all its employees, former and present.

With Best Wishes,

**RAJESH KUMAR SINGH**  
**Chairman and Managing Director**
